

National Finance Center Customer Notification

Date of Notification: October 18, 2010

Subject: New Version of STARWEB

Database/Customer(s) Affected: All

Dear Customer:

The National Finance Center is in the process of updating the STARWEB application. This update includes the standardization of the application software. The new application will enhance system performance and provide our customers with a more robust Time and Attendance system.

The User Acceptance Testing will begin Monday, October 25, 2010, and continue through Friday, November 19, 2010. Agencies utilizing STARWEB that wish to participate in testing should provide the following information to Doris Garnier at Doris.Garnier@usda.gov no later than October 20, 2010; Point of Contact (POC) name, phone number, and no more than three T&A Contact Points to be included in the test. Any follow up information will be communicated to the agency POC.

If you have any questions regarding this notification, please contact NFC's Client Management Branch at Customer.Support@usda.gov
